Peter Kil

Toelichting **SPECIAL SPIRIT**

Ondanks dat onregelmatige maatsoorten in onze westerse popmuziek minder vaak voorkomen, komen ze continu voorbij in filmmuziek. Maatsoorten als 5/8^{ste} of 7/8^{ste} hoeven ook zeker niet minder te groeven of swingen dan onze gebruikelijke, oh-zo-bekende 4/4^{de}-maatsoort.

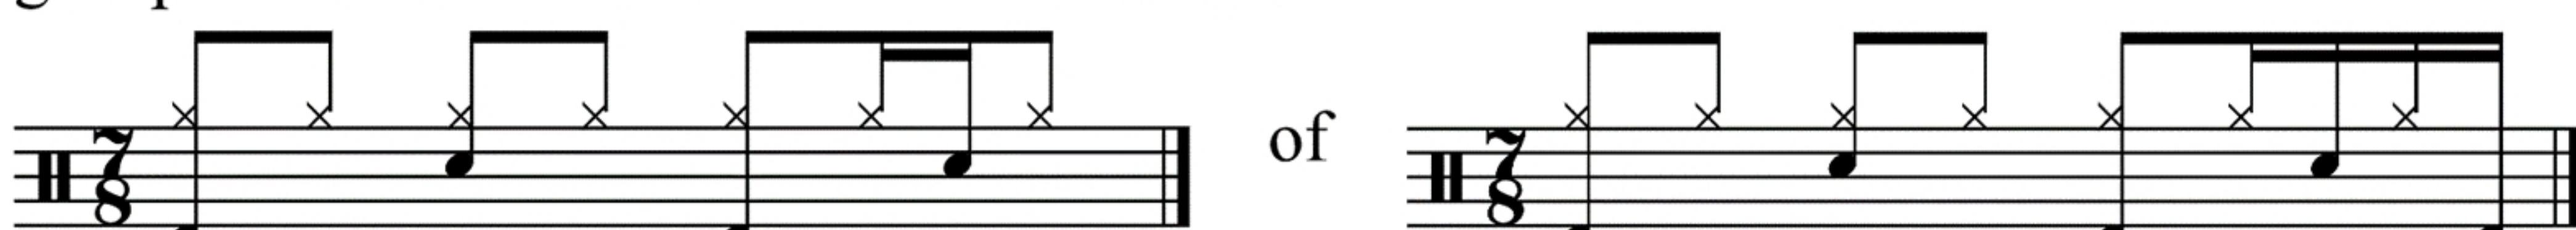

Om die reden vond ik het passend om een niet te snel en ingewikkeld liedje te maken in 7/8^{ste}. Wellicht een kennismaking voor diegenen die nog wat minder vertrouwd zijn om te groeven ‘in 7’.

Het belangrijkste is om als collectief continu het 7/8^{ste} patroon te - blijven- voelen:

Wat daarbij kan helpen is (ik zou bijna zeggen: uiteraard) het meetellen, bijvoorbeeld 1-ne-2-je-3-ne-me. Daarbij zou het ook nog een optie kunnen zijn om de achtsten te spelen met als stokvoering R-L-R-L-R-L-L.

Als de drummer/-ster van dienst wat meer uitdaging zoekt, kan ook nog altijd geëxperimenteerd worden met variaties als:

De tambourine/shaker-partij mag ook desgewenst het accentpatroon bij ‘B’ eerder spelen, dus bij ‘A’.

Veel plezier bij de uitvoering!

31

This section contains eight staves representing different percussion instruments. The staves are labeled from top to bottom: S.D., F.D., Co., Dr.St., Shak., Tamb., Cymb., and B.D. Measure 31 consists of five measures of eighth-note patterns. Measures 32-35 show a transition where the patterns change to sixteenth-note patterns, with some measures featuring rests or eighth-note patterns. Measure 35 concludes with a dynamic instruction and a fermata over the last measure.

36

This section contains eight staves representing different percussion instruments. The staves are labeled from top to bottom: S.D., F.D., Co., Dr.St., Shak., Tamb., Cymb., and B.D. Measure 36 begins with eighth-note patterns followed by sixteenth-note patterns. Measures 37-39 show a continuation of sixteenth-note patterns with some eighth-note patterns. Measure 40 concludes with a dynamic instruction and a fermata over the last measure.
